Attend BPM Partners 13th Annual Webcast: The Pulse of Performance Management 2016

Top Solutions for Budgeting, Forecasting, Consolidation, Reporting and Analytics

Stamford, CT – May 10, 2016 – [BPM Partners](#), the leading independent authority on business performance management (BPM), today announced the opening of [registration](#) for the "Pulse of Performance Management 2016" webcast, hosted once again by IndustryWeek, on June 2nd at 2:00 p.m. ET.

Now in its 13th year, this annual web event will quickly get you and your team up to speed on everything important happening in budgeting, planning, forecasting, consolidation, reporting, and analytics. This information will enable you to confidently embark on a new performance management project, or identify opportunities to enhance an existing one.

The webcast will examine current trends impacting performance management such as advances in modeling, predictive analytics and the evolving role of spreadsheets, technology considerations (cloud, mobile) as well as what the BPM Pulse survey reveals about peer organizations' plans and priorities. Craig Schiff, CEO and founder of BPM Partners, will host the event.

During the live session BPM Partners will reveal for the first time:

- BPM Partners' core list of performance management vendors for 2016 including a review of their products, latest enhancements, and 'best fit' analysis
- BPM Partners' selection for 'best new vendor of the year'
- The highly anticipated BPM Pulse 2016 vendor customer satisfaction ratings
- NEW for 2016: BPM Pulse Shortlists -- the best vendor choices for specific requirements
- NEW for 2016: Ease-of-use ratings for each vendor
- NEW for 2016: A look at the best new features to come out in the past year

Although on-demand replays will be available, only live event attendees can participate in the 'Ask the Experts' segment at the end of the session. One live web attendee will also win a 4K television. Register [here](#). Take the [2016 Pulse survey](#) today.

About BPM Partners

BPM Partners is the leading independent authority on business performance management (BPM) and business intelligence solutions. The company helps organizations address their budgeting, planning, financial reporting, regulatory compliance, profitability optimization, key performance indicator (KPI) development, and operational performance challenges with vendor-neutral experts who can guide companies through their BPM initiatives from start to finish while both reducing risk and minimizing costs.
