Major Vendor Achievements Announced During Pulse of Performance Management 2017 Event

Vena Solutions and XLerant Receive Perfect Customer Satisfaction Scores

Stamford, CT – June 14, 2017 – [BPM Partners](#), the leading independent authority on business performance management (BPM), announced its BPM Pulse customer satisfaction rating results, provided analysis of recent mergers, and identified two new vendors that show great potential during the "Pulse of Performance Management 2017" [webcast](#), on June 6, 2017.

During the live session, BPM Partners announced the following:

- [Vena Solutions](#) achieved the highest overall customer satisfaction rating with a perfect score of 5.0
- Additional vendors with exceptional overall customer satisfaction ratings of 4.5 or better included: [OneStream Software](#) (4.96), [XLerant](#) (4.91), [Axiom](#) from Kaufman Hall (4.73), and [Prophix](#) (4.69)
- [XLerant](#) achieved the highest ease of use customer rating with a perfect score of 5.0
- [Jedox](#), a successful European vendor, was identified as the 'Best New Vendor' to enter the North American market, and [prevero](#) a Unit4 company, also new to N.A., was selected as 'One to Watch'
- The pros and cons of the just announced [Longview](#)/Tidemark merger were discussed along with the previously announced Wolters-Kluwer acquisition of [Tagetik](#)

Craig Schiff, CEO of BPM Partners, laid out the requirements for the 'Next Generation of Performance Management' solutions which will be Comprehensive, Connected, Collaborative, and Cloud-based.

The full webcast replay with the details behind all of these announcements is available [here](#).

About BPM Partners

BPM Partners is the leading independent authority on business performance management (BPM) and business intelligence solutions. The company helps organizations address their budgeting, planning, financial reporting, regulatory compliance, profitability optimization, key performance indicator (KPI) development, and operational performance challenges with vendor-neutral experts who can guide companies through their BPM initiatives from start to finish while both reducing risk and minimizing costs.
