## **Attend BPM Partners 14th Annual Webcast: The Pulse of Performance Management 2017**

### ***Next Generation of Solutions for Budgeting, Planning, Consolidation and Reporting***

Stamford, CT – May 23, 2017 – [BPM Partners](#), the leading independent authority on business performance management (BPM), today announced the [registration](#) opening for the "Pulse of Performance Management 2017" webcast, hosted once again by IndustryWeek, June 6, 2017 at 2:00 p.m. ET.

Now in its 14th year, this annual event is a must-see webcast for anyone considering a purchase or upgrade of a performance management system. It will include unbiased information on the status of all the major vendors (including recent mergers and acquisitions) as well as best practice guidance for evaluating cloud-based solutions.

The webcast will examine current trends impacting performance management such as a renewed focus on ease-of-use, user interface and user experience, changes to pricing models, incorporation of advanced analytics, as well as what the BPM Pulse survey reveals about peer organizations' plans and priorities. Craig Schiff, CEO and founder of BPM Partners, will host.

During the live session, BPM Partners will reveal for the first time:

- BPM Partners' core list of performance management vendors for 2017 including a review of their products, latest enhancements, and 'best fit' analysis
- BPM Partners' selection for 'best new vendor of the year'
- BPM Partners' selection for the up-and-coming vendor considered 'one to watch'
- The highly-anticipated BPM Pulse 2017 vendor customer satisfaction ratings
- NEW for 2017: A look at every vendor's user interface
- NEW for 2017: Finance self-sufficiency ratings for each vendor
- NEW for 2017: Percent of each vendor's sales that are cloud-based

Although on-demand replays will be available, only live event attendees can participate in the 'Ask the Experts' segment. Two live web attendees will win an Amazon Echo. Register [here](#).

Take the [2017 Pulse survey](#) by May 30, 2017 and see the results during the webcast.
